

Year 6

At Greentrees, our curriculum engages all our pupils in challenging and interesting learning, which promotes our core values of curiosity, achievement, determination, collaboration, equality and kindness.

We will help children to be curious, ask probing questions and be resilient in finding solutions through the following questions:

Autumn Terms 1 and 2	Spring Terms 3 and 4	Summer Terms 5 and 6
What can we learn from the Ancient Greeks? (Scientists, Artists and Historians)	Where will we live in the future? (Geographers, Engineers, Scientists and Artists)	How do the clothes we wear impacting the planet? (Engineers and Geographers)
Is too much water a problem for all? (Geographers, Artists and Philosophers)	What happens when we don't have enough food? (Scientists, Historians and Engineers)	How are we connected? (Scientists and Artists)
