

Year 4

At Greentrees, our curriculum engages all our pupils in challenging and interesting learning, which promotes our core values of curiosity, achievement, determination, collaboration, equality and kindness.

We will help children to be curious, ask probing questions and be resilient in finding solutions through the following questions:

Autumn Terms 1 and 2	Spring Terms 3 and 4	Summer Terms 5 and 6
What choices do people make? (Scientists, Engineers and Philosophers) Where does our water come from? (Scientists, Geographers and Artists)	Why do we live here? (Geographers and Historians) What eats what? (Scientists and Artists)	What is sound? (Scientists and Musicians) How do we switch off? (Scientists, Engineers) How does history connect us? (Historians, Geographers and Artists)
