

School Sports Grant 2025-26

The PE and sport premium

Schools must spend funding to improve the quality of the PE and sport activities they offer their pupils, but we are free to choose the best way of using the money.

For example, we can use our funding to:

-  Hire specialist PE teachers.
-  Hire qualified sports coaches to work with teachers.
-  Provide existing staff with teaching resources to help them teach PE and sport.
-  Support and involve the least active children by running or extending school sports clubs, holiday clubs and Lunchtime Clubs.
-  Run sport competitions or increase pupils' participation in the School Games.
-  Run sports activities with other schools.

Greentrees School aims to increase PE participation and enjoyment for *all* pupils, increase the coaching/teaching competence of class teachers, offer a greater range of sports activities (sometimes led by specialist coaches) and fund inter-school sports competitions. We hope that the activities and resources that we fund through the School Sports Grant will support a sustainable improvement in PE teaching and pupil participation in sport.

Greentrees has used the money to improve the areas outlined in this review. We are continuing to use both the 'Real PE' & 'Get Set 4 PE' schemes across the school for the two hours of timetabled PE, to ensure children are progressing their skills in each year group.

How the Grant was used in 2025-2026 (£19, 680)

<u>Amount</u>	<u>Initiative</u>	<u>Impact</u>	<u>How will this be sustained</u>
£9480	23 Coaching	23 Coaching has delivered PE lessons to children across both Key Stages. Both the children and teachers have benefited from this initiative. To add to this 23 Coaching have prepared our Sports Teams for competition. This has allowed the children to be far more confident when representing the school	Teaching staff feel more confident teaching PE as a result of the CPD they have received.
£695	Real PE subscription	All teachers are now successfully implementing the Real PE scheme of work. Children across both Key Stages are benefiting from the skills-based approach to PE.	We do not intend to continue using this scheme of work. Teaching staff have obtained a lot of useful experience

			by using this scheme.
£585	Get set 4 PE Scheme	This PE scheme has provided teaching staff with resources and lessons plans for their sport-based PE lessons.	Teachers will continue to receive CPD regarding this scheme of work where necessary.
£1200	Swimming Booster Lessons	All KS2 children given the opportunity to learn to swim. The NC suggests that children should be able to swim a minimum of 25 metres.	Greentrees children leave KS2 able to swim to an adequate standard.
£1260	Premier Sports – Golden Mile	The Golden Mile initiative continue to be an effective means of keeping children active within the school day. This payment allows for the electronic tracking of the children's progress throughout the academic year.	This scheme has developed health and fitness across the school
£1500	Wilton RDA	Our most vulnerable children have benefited from the opportunity to visit the Riding School. These children have experienced lots of success in this skill.	Our most vulnerable children are encouraged to be physically active.
£1070	PE Magna Cluster	Our Lead Athlete has been part of the Laverstock PE cluster. They have attended three annual meetings and organised sporting competitions for KS2 children in a variety of sporting areas.	This initiative has allowed the PE Lead to develop relationships with other local PE Leads.
£3000	Travel Costs	Taxis and Mini-buses have allowed children the opportunity to visit local secondary schools and participate in sporting events.	We seek to lower travel cost where we can. This will only continue to be sustainable if we continue to receive our PE funding.
£390	Materials/Resources	A multitude of new PE resources have been purchased for the Junior	These resources will continue to be used in the

		Site. These resources have supported staff with the implementation of PE teaching across KS2.	next academic year to support the teaching of PE.
£500	Maintenance of Playground Equipment	Lunchtime play equipment has been purchased and maintained throughout the academic year ensuring that children are engaging with active play at lunchtimes and breaktimes.	Playground Equipment will continue to be used by Sports Ambassadors at lunchtimes and playtimes.
Total £19 680			

Impact on the whole school

This year, we have made good use of the primary PE grant. We have purchased lots of new sports equipment which is being used during PE lessons and at playtimes and lunchtimes. All the children at both sites have been increasingly active during their break and lunchtimes as result of these new pieces of equipment and the enthusiasm of the Sports Council. This equipment is also used during Golden Time e.g. Football Goals at the Junior Site are used for both mixed and girls' football.

We continue to implement both 'Real PE' and 'Get Set 4 PE'. Our curriculum makes good use of both schemes of work and teachers are becoming increasingly familiar with the resources both schemes offer. The children enjoy the different approaches and receive a rich and varied PE offer.

23 Coaching has been a huge success this year and has provided the children with a different style of PE teaching. The children have built a good repour with the coach and have responded well to his teaching style. The coach has delivered high quality PE teaching and assisted with preparing our sports teams for competition. To add to this the coach has attended many of our extracurricular competitions/festivals and implemented the tactics and strategies taught prior to the event.

The Golden Mile continues to have a great impact on the school. All children (reception through to Year 6) have completed 3 or 4 minutes of exercise at least twice a week with the aim of improving their stamina over the course of the year. Following the introduction of this initiative, all children within the school are now taking part in some form of physical activity and the results have been noted by many members of staff.

District Sports continue to provide a wide range of extracurricular activities after school. This has supplemented the teacher led clubs and provided children with physical activity beyond the school day.

This year, we have been able to offer the children a variety of sporting activities for them to attend. These have included:

-  Year 5 and 6 Girls Football
-  Year 5 and 6 mixed Football
-  Year 3 and 4 Mixed Football
-  Year 4 and 5 Tri Golf

-  Year 5 and 6 Bee Netball Festival
-  Bronze Young Ambassador Training and 60 Active Minutes
-  Year 5 and 6 Hockey
-  Boccia
-  Kurling Festival
-  Year 3 and 4 Gym Festival
-  Panathlon
-  Year 1 and 2 Fundamentals
-  Badminton
-  Year 3 and 4 Quicksticks
-  Year 5 and 6 Cross Country
-  Year 3 and 4 tag Rugby
-  Year 3 Orienteering Festival
-  Year 5 and 6 Orienteering
-  Year 5 and 6 Tag Rugby
-  Alternative Swimming Gala
-  Dodgeball
-  Year 5 and 6 Cricket
-  Year 4 and 5 Rounders
-  Year 5 and 6 Quad Kids
-  Year 3 and 4 Quad Kids
-  Year 4 Tennis

Other sport opportunities:

Sports Councillors and Young Ambassadors have provided multiple opportunities for more children to be active at play times and lunchtimes. They have been proactive in ensuring the play equipment is of a useable standard and have informed the Lead Athlete when new resources are required. The Bikes and Scooters have been particularly popular amongst the children, this equipment is used at lunchtimes and during Golden Time.

Year 6 children have had the opportunity to take part in Bikeability. This scheme has equipped children with the skills and confidence to cycle on today's roads. The children continue to enjoy these sessions and obtain a lot from them.

Additionally, in the Summer term, all Year 6 children have attended swimming lessons at a local swimming pool. This meets with the National Curriculum requirement that all children should be provided with swimming instruction to swim competently, confidently and proficiently over a distance of at least 25 metres.

Impact of the funding on the Lead Athlete

The funding has allowed the Lead Athlete to map PE curriculum whereby two schemes of work are implemented. The children receive a varied and substantial PE offer which is delivered by adequately trained teaching staff and PE specialists (23 Coaching). All pupils have the opportunity to develop the key skills required to become physically active and competent.

The Lead Athlete has attended all Laverstock Cluster Meetings and had the opportunity to Network with other local PE leads. The Laverstock SGO has provided Greentrees pupils with many opportunities to represent the school at competitions/festivals.

Our most vulnerable pupils have been targeted and participate in suitable activities such as horse riding and swimming. We hope to continue this trend in the next academic year

Pupil Progress Report 2025-2026

This year, staff were asked to assess their children against a set of objectives using insight. This assessment involved grading any children who are below or above the expected level. They were also asked to give an overall judgement for the year (below, working towards, expected or exceeding).

	<u>YR 1</u>	<u>YR 2</u>	<u>YR 3</u>	<u>YR 4</u>	<u>YR 5</u>	<u>YR 6</u>
% of pupils working at expected or above	43% (Missing Data)	46% (Missing Data)	45% (Missing Data)	92%	91%	92%
% of pupils working beyond expected	0% (Missing Data)	3% (Missing Data)	8% (Missing Data)	5%	14%	15%

Y6 Cohort - Swimming Data

Objective	% Achieved	% Not Achieved
Swim competently, confidently and proficiently over a distance of at least 25 metres.	75%	25%
Use a range of strokes effectively.	75%	25%
Perform safe self-rescue in different water-based situations.	80%	20%

How we intend to spend the £ Grant in the academic year 2026-2027

Amount	Activity	Objective	Rationale
£1012	Salisbury PE cluster group subscription.	This cluster group will provide access to a range of competitive sporting opportunities and festivals throughout the year. As well as providing support and professional development for the PE subject leader.	For Lead Athlete to engage with CPD. For children to access a range of sporting events, preparing them for secondary school.
£500	Renewal of 'Get Set 4 PE' scheme of work for	Teachers to become more confident in the	For the teaching of PE to become

	another 12-month period.	delivery of sport-based PE.	more consistent across the school.
£518	Continue to buy physical resources to support the PE curriculum & to support Lunchtime activities.	To ensure that the Infant and Junior site is well equipped to enable quality provision of PE across all aspects of learning: e.g. games, dance, gymnastics, athletics etc. To ensure that the chn have significant play equipment at Lunchtimes.	To ensure that the PE curriculum is being delivered appropriately and children are using a range of resources to support their learning.
£2500	Transport to sporting events.	Transport children safely from the school site.	To provide KS2 children with the opportunity to attend off-site PE festivals and tournaments. They will compete against several other local schools and be adequately prepared for competitive sport in KS3.
£750	Wilton RDA	Children to develop their horse-riding skills in a safe and secure environment.	Children to be given an opportunity to develop a skill they cannot access in the school environment. This opportunity has previously been offered free through a charity but going forward,

			the school will need to pay for the costs.
£750	RB Swimming Booster Lessons	To develop and improve swimming skills across the school.	To be able to swim the 25 metres required of them by the end of KS2, as stated in the National Curriculum.
£500	Maintenance of Playground Equipment	To ensure that playground equipment is adequately maintained.	To allow children opportunities to engage in physical play at lunchtimes and breaktimes.
Total: £6530			

In July 2027 an Impact Report will be written, this report will evaluate the spend.
